

**Dr Marija Mihailovic** finished Molecular Biology and Physiology studies at the Faculty of Biology, University of Belgrade, Serbia in 2000. She performed her diploma thesis in the group headed by Prof Lj. Topisirovic in the Institute of Molecular Genetics and Genetic Engineering (IMGGE), Belgrade, Serbia. She moved for doctoral studies to Milan, Italy, where she obtained PhD in Molecular Medicine, Neuroscience at the University Vita-Salute, San Raffaele, Milan, Italy in 2006. She was a visiting PhD student at the European Molecular Biology Laboratory (EMBL) in Heidelberg, Germany. Marija was on postdoctoral studies in the group of Dr. F. Gebauer at the Centre for Genomic Regulation (CRG), Barcelona, Spain, and in the groups of Dr T. Bonaldi and Prof. G. Testa at the European Institute of Oncology (IEO), Milan, Italy. She is currently a Scientific advisor at the Human Technopole, Milan, Italy, and an Assistant research professor at the IMGGE in the group of Dr. N. Golic. Marija was a PI and coordinated Consortium ALTRUISM: Altered Translation in Autism (EraNet-NEURON Grant, 2020-2023). She was awarded Umberto Veronesi, Marie Curie, and Juan de la Cierva fellowships. She has more than 20 peer-reviewed publications.
